Escola Europea de Short Sea Shipping

ODISEO Issue 20: Autumn 2016

10 years of Escola, 10 years of courses, 10 years of blue spirit

The Gala Dinner and the Arete Awards

On the 29th of September, the Escola held a Gala Dinner at the Maritime Museum of Barcelona to celebrate its tenth anniversary. The event, organised in the framework of the European Shortsea Conference, gathered more than 250 people, including participants of the conference, partners and teachers of the Escola, key opinion leaders

of the maritime sector of Europe as well as Escola ex-alumni.

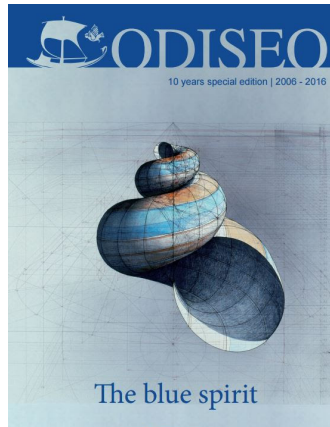

During the event, an award ceremony took place to acknowledge the contribution of personalities and institutions that have cooperated in the development and success of the Escola over its ten years.

The award "ARETE EXCELLENTIAM" was handed out to institutions, training centres and Shortsea Promotion Centres that contribute with their work and commitment to the development of the Escola's courses. The "ARETE AURUM" was awarded to personalities who gave a decisive impetus to the Escola's creation and development through their attitude and actions.

[Check out here who the award winners are.](#)

ODISEO BOOK

The ODISEO book, a special edition of our newsletter, was issued for the 10th anniversary celebration, gathering opinion pieces, a review of the Escola's history, the Arete Awards presentation, etc. The book can be downloaded [HERE](#).

Industry News

EU maritime transport investment inefficient: auditors

Many funds invested in port infrastructure in the European Union (EU) were wasted, a new report from the European Court of Auditors said. A third of EU spending on facilities such as quays, docks and breakwaters at EU seaports between 2000 and 2013 was ineffective...
