### Headline

The SOLAS Container Weight Verification

## Requirement comes into effect today!

It's now July 1<sup>st</sup> and the Container Weight Mandate is already an obligation: the shippers whose name appears on the bill of lading have to verify the gross mass of a container carrying cargo. This new regulation is going to have consequences throughout the sector. Do you want a better understanding of how it will impact maritime transport? Watch the new episode of our #DidYouKnow series dedicated to the subject!

Watch it.
